PURE DRAMA

MARGOT ROBBIE'S *radical romance*

FRANCESCO ZONCA STUDIO is an Italian studio dedicated to collectible design and interiors. Founded in Tokyo and now based in Italy, the studio merges Japanese simplicity with Italian materiality, crafting pieces that explore the balance between purity of form and material richness. Pictured: “Arcaico” Table from “Geometrie Collection”. Visit www.francescozoncastudio.com and follow [@francescozoncastudio](https://www.instagram.com/francescozoncastudio) on Instagram.

16. Side Chair HB009 by **YOUSSEF EL HADI STUDIO** captures the tension between weight and levity, reimagining the comfort of a grandmother's sofa through architectural form. Its sculpted wooden frame floats on brass legs, holding seamless folds of fabric; a quiet tribute to memory, softness, and the persistence of memory. Visit www.yehstudios.com and follow @yehstudios on Instagram.

17. SOOS ATELIER celebrates the art of gathering. Founded in Amsterdam, the tableware brand invites you to spend more time at the table, surrounded by good food, friends and late-night conversations. With their stainless-steel-focused collections, every table is set with intention, becoming a stage for life's most precious stories. Visit www.soosatelier.com and follow @soosatelier on Instagram.

18. LOLABÉ BABY is an Australian brand designing baby play gyms, mobiles, and nursery accessories that balance timeless style with playful charm. Thoughtfully created to delight little ones and complement modern interiors, each piece is made with care as a keepsake to be treasured. Visit www.lolabebaby.com and follow @lolabebaby on Instagram.

19. The Yoana Reformer by **PENT**. Their luxury fitness equipment is a masterpiece of luxury fitness. Crafted from fine wood, natural leather, and stainless steel, it combines elegance and durability, delivering an unparalleled Pilates experience with sophisticated design and premium comfort for every movement. Visit www.pentfitness.com and follow @pent_luxury_fitness on Instagram.

20. YORKSHIRE INTERIORS defines the art of luxury living through master handcraftsmanship and timeless design. From bespoke furnishings to architecturally refined spaces, every detail is meticulously created by artisans who transform vision into elegance. Partnering with discerning designers, they craft interiors that embody sophistication, authenticity, and the enduring beauty of true craftsmanship. Visit yorkshireinteriorsandhome.shop and follow @yorkshireinteriors__ on Instagram.

21. BE STILL blends modern minimalism with mindful luxury—offering clean, sophisticated candles and products designed to bring calm and clarity into curated spaces. Encouraging stillness and presence. Photographed at Comman Goods. Visit bestillcandle.com and follow @bestillcandle on Instagram.

22. CURTARRA — Every window tells a story. Curtarra crafts made-to-measure curtains that blend timeless textiles with modern elegance — creating beautifully framed light and effortless serenity for your home. Visit curtarra.com and follow @curtarra_curtains on Instagram for your bespoke curtain design.

23. For 80 years, OKM has been setting standards in bedding production, providing exceptional sleeping comfort. They bring decades of experience manufacturing high-quality down and feather duvets, using only German white goose down and feathers, hand-filled for exceptional comfort and longevity. Their duvets and pillows can be personalised with coloured piping and embroidered initials. Visit o-k-m.com and follow @okm.bedding on Instagram.

24. FRANCESCO ZONCA STUDIO is an Italian studio dedicated to collectible design and interiors. Founded in Tokyo and now based in Italy, the studio merges Japanese simplicity with Italian materiality, crafting pieces that explore the balance between purity of form and material richness. Pictured: "Arcaico" Table from the "Geometrie Collection". Visit www.francescozoncastudio.com and follow @francescozoncastudio on Instagram.

25. STUDIO ALVO creates bespoke artworks and sculptural installations across all mediums, blending artistry, design, and material exploration. Each piece is thoughtfully shaped to complement its space with a quiet sense of luxury and contemporary ease. Visit studioalvo.com and follow @studio_alvo on Instagram.

26. KIARA PELISSIER is an American artist living in Spain. Her blown glass, acting like a visual diary, focuses on the balance between vulnerability and resilience, transmitting emotion through gesture, colour, and dialogue between translucency and light. Image: Coral Polyp Cluster in Saffron, Cherry & Purple. Visit kiarapelissier.com and follow @kiarapelissierstudios on Instagram.

27. The Moodboard by **ATELIER MADIRAZZA**. Made of steel and inspired by the Japanese folding technique origami. Both functional and sculptural, the board interacts with its surroundings and is able to be adjusted depending on its location. Visit www.ateliermadirazza.com and follow @Ateliermadirazza on Instagram.

28. ZINCUTEC travelled to Iceland, where fire and ice meet, to capture the raw essence of its creations. The brand transforms metal into art that reflects both the serenity of nature and the depth of human expression. Guided by minimalism, clarity, and timeless aesthetics, the German company refines brass, copper, and stainless steel into pure design. Visit zincutec.eu and follow @zincutec on Instagram.

29. STUDIO LOBO is a multidisciplinary design studio creating lived-in luxury for high-end residential and boutique hospitality clients. Founded by Sarah Lobo, the studio designs expressive interiors and bespoke furniture that feel collected over time. Her spaces evoke a sense of soul, depth, and narrative. Based in Miami, FL, Studio Lobo brings meticulous craft to every project, proving that true luxury is designed to be lived in. Photography by Jeanne Canto. The Flo Lounge Chair is now available for pre-order at www.studiolobo.com. Follow for more @studiolobo_ on Instagram.

30. The cabinet and highboard Portal unite art, mathematics, and spirituality in a star-shaped, mirror-clad form that feels immaterial, its interior glowing in red, blue, yellow, or orange. A numbered and signed limited series from £13,200 by **STUDIO GRAEFF** — Objects for Modern Temples. Visit studiograeff.com and follow @studiograeff on Instagram.
